

# CHOOSE RAINBOW ABA TODAY!

Applied Behavior Analysis

Servicing all of New Jersey

- At Rainbow ABA, your child's growth and skill development is tracked by advanced data and metrics
- Services are provided in a variety of settings: child's home, daycares, community settings and some school settings
- We celebrate your child's neurodiversity - what makes you different is what makes you awesome!
- Our clinicians practice a holistic, outcome-based approach to care
- Crisis management support is available as needed
- We offer customizable care and flexible scheduling
- Rainbow ABA uses the latest technology to deliver services as efficiently and safely as possible
- Rainbow ABA follows COVID-19 safety protocols as recommended by the CDC and local governments
