Neighbors Helping Neighbors

They say volunteers aren't paid because they are priceless... and our volunteers are certainly priceless to us! At Reindancer, our program relies heavily on generous donors who give of their time, talents, and resources.

Whether it's painting or repairing a fence line, helping manage our technology, side-walking in a lesson, brushing a horse, or helping us feed the animals, our program thrives because of the children, adults, businesses, veterans, and community that gives back to us!
