

# Their success is firmly in our sights.

Escalate ABA offers evidence-based, patient-centered ABA therapies for individuals with ASD. These therapies are specially designed to assist in developing essential skills like communication, social interactions, and daily functioning.

With expertise and compassionate care, your child's provider will focus on their individual needs, using methods geared towards their success. We strive to help every client navigate the world with confidence and independence.

**We accept most insurances, including Medicaid Direct.**

ABA SERVICES

# The ABA agency that aims higher.

# Helping them chart a course for limitless potential.

We're here to make a difference in your child's life. Our case managers, BCBA's and BT's focus on your child's future, striving for steady and attainable progress.

## OUR SERVICES

### Home-Based Therapy

Our provider will come to your home and work on developing your child's skills in an environment that feels safe and comfortable for them.

### Center-Based Therapy

At school or after-school, your child's provider will foster optimized learning and social opportunities in a structured, supportive environment.

# Your child is our only mission.

We're the boutique ABA agency that gives you the time of day at any hour to ensure your child can thrive and blossom.

## WHAT MAKES ESCALATE ABA SPECIAL:

### Constant Support

From the start, your case manager will coordinate and monitor all aspects of your child's services to ensure care that fits your needs. From scheduling, to questions, to insurance, you will have a direct number you can reach dial at any time.

### Direct Match

There is a specific provider who is your child's perfect match, whether culturally, personality, and field of experience. Our clinical team is committed to finding that provider for the ultimate progress forward.

### Individualized Care

Our team is dedicated to fostering growth for your child. We take the time to get to know your needs so that you receive the best care possible.

# Get ready for liftoff.

1

### Reach Out

Our intake staff will verify your insurance and discuss your child's needs.

2

### Initial Assessment

A BCBA will perform an assessment to determine the scope of service.

3

### Provider Matching

Our team will find the right provider for your child.

4

### Service Begins

Through it all, your case manager will be at your side to ensure you are satisfied and content with the care.
