## Mission

Our Mission is to assist and  
advocate for the sick, the poor  
and the needy, in services  
designed to meet their needs  
while collaborating with other  
community partners.

We educate and prepare youth  
and young adults struggling with  
special needs, disabilities, or at-  
risk behaviors with job readiness  
skills.

We provide short-term housing  
for youth and young adult  
volunteer mission teams while

Hours of Operations  
M-F 9-5

Closed Daily 12-1  
Tues. Thurs. 9-7

## Outreach

We greet families, and provide a description of the relief, recovery, referral and rebuilding services offered. We also assist with family registration, share recovery information, and facilitate the use of our resources provided by our community partners.

### Our Current Programs

Employment/Resume workshop

SNAP / Health Insurance

Partnership Desk space for meeting clients

NJ Shares assistance

Operation Evo Budgeting

Peer Recovery services

Crisis Counseling

Special Needs Case Management for Youth

## Sustainability

We are committed to a sustainable future by implementing economical and environmental projects that benefit our community. Together we can create a clean, affordable and safe place to live and work for future generations.

### Our Current Programs

Pet Pantry

Tool Lending

Open-Choice Pantry

BIP (Beneficial Indigenous Property) Work Shop
