Our goal is to equip young adults with the skills they need to lead productive, successful, and fulfilling lives.

We include a fitness treatment program with exercise, sports, meditation and yoga. In addition, we also offer unique arts & crafts projects.

Mental Health & Substance Abuse Treatment

Morning Glory Intensive Outpatient Program offers a truly unique experience by combining the latest advances in evidence based clinical and medical care with 12-step and holistic approaches for ages 10-18. Our highly experienced staff excels in creating treatment plans tailored to each client that address not just addiction, but self-esteem, relationships and communication.

We focus on the overall health of each individual which includes:

- Cognitive behavioral therapy (CBT)
- Dialectical behavioral therapy (DBT)
- Individual and group therapy
- Family therapy
- Dual Diagnosis treatment

Free Transportation

Provided Throughout Monmouth, Middlesex and Ocean Counties in New Jersey

- We accept all Major Insurances Including Medicaid (NJ FamilyCare)
- Convenient After School Hours
- Free Transportation to and from the program.
- Delicious Hot Meals Served.
