

Point Pleasant Borough School District is applying for state funding for preschool!

If awarded funding, we will offer free full-day preschool for 3 and 4-year-old Point Pleasant residents beginning in January 2025. Please note that space in this program would be limited.

Parents, guardians, and community members are invited to information sessions at Ocean Road School at 5:30 PM on April 25, May 20, and June 17. Please use the Catherine Street entrance.

If you have any questions or would like more information, please contact
