## Sponsorship

Help us remove barriers that hold children back from opportunities and success in life.

### Sponsor an Event

Each year we hold several events such as a Golf Tournament, Music Festival, Summer Camp, Day at the Bay and more. Sponsor an event and get visibility for you or your business at our events and in our advertising. We'd love to partner with you!

### Sponsor a Child

Sponsoring a child affords them the opportunity to participate in sports, arts, culture, enrichment activities or summer camp. With your help, local children are provided access to gear, uniforms, supplies, transportation and registration.

Visit our website for more information about sponsorship opportunities.

*"Hearts of mercy is a one of a kind community! The volunteers are amazing! First summer being with them and it was just simply a blessing to find these kind people and amazing events! My daughters loved the summer camp!" -P.A., Mom, Barnegat, NJ.*

Lives are changed by the actions of caring people. There are many ways to reach out; a simple act of kindness or encouragement can mean the world to a child who is struggling. We, at Hearts of Mercy, are proud to be a part of a child's success. It is so rewarding to see a child laugh and know you contributed to their growth journey. The best is when they come in smiling with a glowing report card! Won't you join us in being the change in a child's life?

## About Our Organization

Hearts of Mercy is a 501c3 organization founded in 2010. Our mission is to break the cycle of poverty through learning and enrichment programs that motivate at-risk children to create a better tomorrow. We focus on helping them achieve educational success and giving them opportunities to participate in athletics and after school activities.

We are opening doors for children by exposing them to new interests and assisting them in pursuing their passions.
