

# PROJECT TEACH

OCEAN REGIONAL SCHOOL  
1141 Old Freehold Rd.  
Toms River NJ, 08752  
732-505-4180

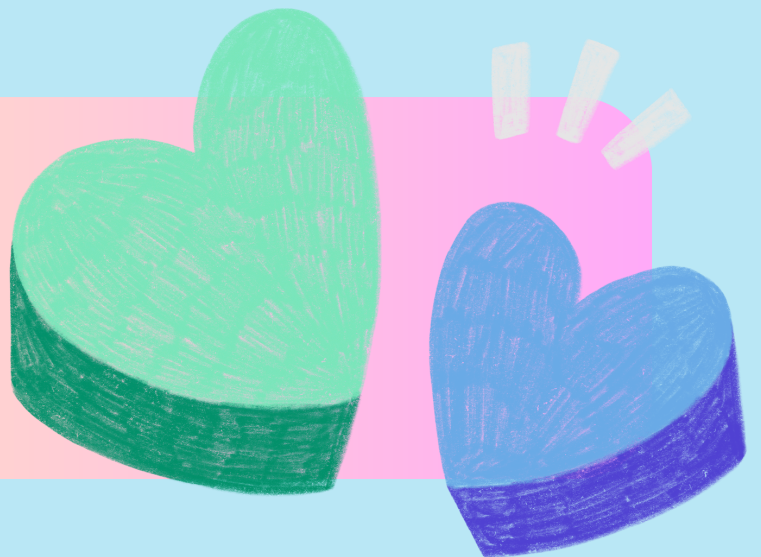

Students can earn a high school diploma from the home district, while their children are being cared for in the nursery.

In addition to state required high school classes, parents take child development/parenting classes to help develop real life skills.

Door to door transportation is provided along with carseats for the young children.

Staff work with parenting students to set up for success after high school.

The school offers a toddler and infant room to meet the developmental needs of all children.

*Call for a tour and application*
